7. **The Secrecy of UK Family Courts** as the core issue common to all problems experienced:
 - Child Snatching by Police without warrants or paper work – 'legitimised' in Family Courts;
 - Adoptions without Parental Consent – 4% of 1,000 children a month - the tip of an iceberg;
 - Molestation and abuse in private foster care and foster homes – crimes covered up;
 - Organised child sexual abuse not only in historic but also current cases;
 - Satanic Ritual Abuse – reported by child victims - as the worst of all child sexual abuse forms.
